Whew! What a year! BCHA had another successful, fun-filled season. We had three open shows and held our annual "Horsepower of a Different Kind..." Car, Truck & Bike Show. The club has continued to slowly rebound. Positive feedback has been given regarding the newsletters and website, and BCHA hopes to continue these efforts.

On a personal note, I want to say THANK YOU to everyone who has helped make the last two years so successful. The officers and board members I have worked with have worked incredibly hard. What we have accomplished would not have been possible without their knowledge and expertise. This club means so much to so many people. It has been my pleasure and honor to serve as president.
