Boone County Horseman's Association

Year End Awards Banquet

Boone County Horseman's Association will be having our 2009 Year End Awards Banquet on Saturday, November 7th at the Boone County 4-H grounds. The awards banquet will begin at 4 p.m. at the Annex building. We will recognize our award winners and hold elections for officers and board members for the 2010 season. BCHA will be furnishing the meat and paper goods. We ask that each family bring a side dish or a dessert. Tea and lemonade will also be provided. Following the awards and elections, we will head to the horse arena for a fire and social time. Please pass this information along to any current or past members of BCHA. We would love to see old friends along with making new friends! Don't forget...we will also be selling tickets for the horse throw blanket pictured above. We will be drawing the winning ticket at the awards banquet.

Above is a picture of the throw blanket we will be raffling at the banquet

Volume 1, Issue 5
October 2009

Upcoming Events:

- Oct. 18th: 4-H Project Fair 2-4 p.m.

- Dec. 15th: 4-H enrollment deadline for 2010

Thank you Thank you Thank you Thank you

On behalf of BCHA, I would like to extend a big **THANK YOU** to everyone that volunteered their time, money and effort this season. As many know, BCHA was on the brink of disbanding at the start of the season. We have had such a wonderful recovery because of the **AWESOME** people who have stepped up to the plate. It was remarkable to see the many people who helped fight to save what countless volunteers have worked for over the course of many years. Thank you does not seem enough!

Hugh Milus

History happens everyday....

Boone County Horseman's Association was formed in 1974. The purpose of the club was to promote interest, understanding and good fellowship among horse enthusiasts of this community and of other towns.

Throughout the years, the faces have changed but the goals remain unchanged. There are many ways to help BCHA grow, including volunteering at shows and family or company sponsorships. If you would like to become a BCHA sponsor, please email BCHA74@live.com, or by visiting www.bcha.info to obtain a sponsorship form. You can also contact Brandy at (317) 750-3694.
