The Future of Our Club...

As some of you may know, a meeting was held on Tuesday, April 7th, 2009 at the home of Jay & Teresa Musselman. The agenda was to elect new officers and board members and to also discuss the future of the club. The club is struggling financially and in need of volunteers.

We had a decent turnout and had enough participation to be able to elect officers and an entire board. We also had an opportunity to brainstorm and get different views on the direction of club. No major decisions were made at this meeting, other than to keep BCHA moving

forward. There is a lot of work to be done and a lot of fun to be had! I will continue to work with Kelly Brown on updating the BCHA website. I would love to get idea's from everyone! Hope to see everyone at the May 9th Warm Up/Practice Show!
