

4-H Tack Auction and Chili Supper...

BCHA recently had a booth at the annual 4-H Horse & Pony Tack Auction and Chili Supper. The Tack Auction and Chili Supper is the largest fundraising event of the year for our local 4-H Horse & Pony Club. This advertising venture was very good for BCHA. We signed up not only new members, but also SPONSORSHIPS! We all know how important sponsors are in contributing to the success of our club. Please take a moment to look at the sponsorship page included in this newsletter and support them in their business endeavors!
